Thanks Walter!

[REDACTED] great to meet you and I'd love to hear more about [REDACTED]. I've been spending a lot of time in online and offline consumer space and think that you're tackling a really interesting part of the stack that is lacking a lot of data-driven approaches. Let me know if you have time this Thursday 12-2pm or Friday 10am - 1:30pm or feel free to suggest other times that work for you.
